Lyrics : Duke Sheltic, Lenell Brown

(Duke Sheltic)

It was my dream of havin family, my dream of have a house
but it seems like dreams shatters, when I'm around
I could write a book about it but look, I never doubted
to become a happy the home, I always thought about

but look a big bang hit me durin the last few months
see my baby my job my best friend everything was gone,
went through the same shit, the same stories
but I introduced my girl to this world full of worries

it's a dream unreal how it seem to me,
if ya feel what I mean why did ya cheat on me
I tell ya what I see, I got a pocket full of love
listen to me daddy, I na ya got me from above

send my love back to ya bra I keep ya on my mind
n' I'd lie if I'd try to refuse the reason why I cry,
I got my boys here, but it ain't the same
ya been the best father figure s'how I keep ya in my brain

Chorus

(Lenell Brown)

Keep pushin on, pushin on don't look back,
keep movin on, movin on stay on track,
ya shorty got ya n ya boy does too,
n ya father's smiling down on ya

(Duke Sheltic)

look I'm wonderin bout how many rivers, I gotta cross
lemme know how many bridges we got, so I can walk
keep on talkin bout em things, ya don't even know
it's always like a to n fro, but I don't nowhere to go so,

I got no money but game look at my left hand
glass full of Henny dawg, I know ya know me,
I never act like a gang related Eminem
but look we got the same opinion, bout 'em politicians

lemme roll bro lemme roll but never lemme go
gimme ya soul, n I'll die for ya dog yo,
beauty ain't desisive, to what we love,
no but love decides what we think is beautiful

look I never thought about to others I'm eager to learn
I'm an irish fanatic n static straight out of Bern
It concernes to me, myself n I that's why
I gotta say goodbe Daddy, with red wet eyes right

Chorus

(Lenell Brown)
