Duke Sheltic

Ya been a lil girl in this big world  
it's a trap,  
it's all about the quick work  
from the back,  
lemme tell ya bout the facts I don't wanna bash ,  
but I'm attackin ya coz em chaps laugh at ya at last  
baby look at ya past  
coz it's a classical disaster,  
stackin up ya cash as a typical contrast  
na they laugh,  
at ya coz ya got a fat azz  
make ya cash but ya gash gets so vast,  
lemme ask,  
ya forgot about ya clique  
na ya strip like a cheap bitch in a porn clip  
go on shake ya titts girl,  
so sick  
time's runnin n' the clock's makin ticki ticki tick  
it's just a pity that ya pretty busy gettin in the city  
look like an old biddy baby n' a lil giddy  
(ya) get a lil dizzy?, while I suck ya titties?  
it's so witty, but ya know I ain't kidding
