

One of those dayz

Artists : Duke Sheltic, Carole

Lyrics : Duke Sheltic

(Duke Sheltic)

They tell ya Daddy no chance, to ride da game
call ya Daddy notn but a shame, man (laughely)
I keep my name in thiz game, don't belive what they say
I'm walkin through da rain, no matter bout da pain

here we go again, a 2nd chance remains
they gonna pay for what they say one day they go astray
itz da same name, that ya got my li babe
so don't listen to what they say gotta be calm n also shack mate,

ya don't have tob e like, Robin Hood
but a man a word, not whole bloody book
look, recognize only god can save ya,
n all I can do is to improve your behaviour,

I was there when they started the game,
I was there, when everybody else- ran away
I was there, all by my self n disgraced
When I think about it right now, it'z one of those days

Chorus

(Carole)

I will give you all you need when you feel lone
I'll be with ya when I see you walk alone
I'll be there n safely guide ya through thiz maze,
you n me will walk on em rainy rainy dayz

(Duke Sheltic)

Everybody knows how the story began
there was an old fellow, told me Duke my man
there's no chance no place no space fot hem
in no case those fakes can replace ya man

ya got your own plans, don't ya eva go astray,
don't eva let em force ya to drop ya pants
understand, you ain't no silly freak like them
who got the chains with their names on it bling bling bling

n da same old fellow he continued to say,
if ya luv what ya do then keep evade em haters
gotta keep say your prayers, n keep the pace,
only green green green makes the world rotate

dawg ya know the game, it's like nobody can explain
bout em 2 planes rushed in the world trade- for god sake,
hey (laughely), corruption remains
but ya gotta stay shack dawg, on one of those days

Chorus
