Ya try to make some fast cash, try to blast on me gash?
I'm da last motherfucker laugh at ya fuckin first class
azz- I'ma stackin cash act like a bastard
n dash ya became a fag classical pastor

na pass cash, coz I'm ya grand master grass
who laughs, at ya stickin on my azz like a plaster
ya like a rash, like a nasty disaster
ya act like a lass look I pack this track on napster,

na ya start to grasp, why ya get attacked
itz a simple fact sucker come n take a lil nap
while I'm in ya gap yep sap look itz like a trap
na ya passin me bucks, itz a pity ya look slack

so what up na ya think we good peeps coz ya buy my dope?
no dawg, must be somtn of a silly joke
all though ya know me n ya, owe me ho"
for backstabbn me dawg, so don't act like ya don't know

Chorus

(Justin Collins)

Na itz da last man homie, better act like ya know me
I cry for these papers, laughin at all ya haters
Ya gon fake one step, stab me in the back, never take my spot I ain't fallin off the mat
I'm headed to the top I ain't never gon stop, I ain't never gon stop no

(Duke Sheltic)

None of us, iz a geniuz man
n there's none of us, get a serious chance
still none of us, really takin a stand

n I c none of us supposed to be a natural born champ

I got no fame but game I don't pretend like a king
I became da fuckin champ who can jam with his pen man

I came up like an hurricane ya better begin
to say goodbye I'm like a wham, from here to japan

it ain't arcane but it came outta my brain
it maybe mundane but hey, think I change I'm insane
crazy but it chain me everytime I'm on again
lemme represent, I'm cheeky but a gentlemen

I don't complain but I ain't the same as that grand dame
she fake n feign n backstab her fuckin friends
itz a boone n bane, I c her smokin cocaine
instead of rollin my Jane ya'd be in flight man check in

itz my domain, n Duke my motherfuckin name
ya get my pain baby sustain it aimin at ya head again
n lay claim to fame attain my name in thiz game
I wonder what ya say with my penis in ya trap babe

Chorus

(Justin Collins)
